Announcement of Donation Program Execution

Diamond Realty Management Inc. (“DREAM”) announces that DREAM executed the donations of one million yen each to six local governments utilizing Regional Revitalization Support Tax System (“Donation Program”) as shown in the table below.

Based on our sustainability priority policy, DREAM identifies “Materiality” as our core issues to both promote the development of sustainable society and maximize social well-being. In this process, we position a support to local governments through Donation Program as one of the best useful initiatives to achieve our policy earlier.

We sincerely hope that all of six contributions will move each meaningful project further going forward and will continue Donation Program in the coming year and beyond.
