## **Announcement of CASBEE Certification** **(MUZA Kawasaki(Office Part) )**

~ **MUZA Kawasaki Managed By DREAM Acquire CASBEE's Top Rank of "S" ~**

Diamond Realty Management Inc. ("DREAM") announces MUZA Kawasaki has received the "S-Rank", the highest grading given out under the Comprehensive Assessment System for Built Environment Efficiency ("CASBEE") certification, demonstrating the progression of DREAM's environmental initiatives.

### ■ Process of receiving certification

Given the global attention for environmental strategy, we have been pushing for energy efficiency for the properties under our management. Through the initiative, six properties from DREAM Private REIT("DPR") has been certified "S-Rank" (Ichikawa Chidoricho Butsuryu Center, MCUD Honmoku, AEON MALL Kobe Kita, Daikokucho Butsuryu Center, Logistics Park Noda Funakata, Kobe Minato Soko), and MUZA Kawasaki will be joining the family.

MUZA Kawasaki received the Certification for CASBEE for Real Estate in May 2019, based on the third-party assessment by CASBEE-accredited professionals done in May 2012.

### ■ CASBEE Certification

CASBEE is a comprehensive assessment system which evaluates the environmental impact of a given property or project. The certification process is managed by the Institute for Building Environment and Energy Conservation ("IBEC"), whose goal is to promote and award green solutions. Many aspects are taken into account under the CASBEE evaluation – 1. Energy/Greenhouse gas emission, 2. Water, 3. Resource utilization and conservation, 4. Biological diversity/ground, and 5. Indoor environment.

Upon the assessment the certification, the property/project is awarded one of the four ranks, with "S" being the highest, followed by "A", "B+", "B".
